Gone are the days

of only having to print on white, bright white or soft white.

Textured and uniquely coloured papers

Transform printed communications from good to great

We as paper merchants haven't always made it easy to purchase all the wild and wonderfully unique textured coloured papers from Mohawk. In this targeted marketing age, not all jobs require 500 or 1000 26x40 sheets of: Superfine, Options, Navajo, Loop, Via, Strathmore or Skytone.
