

# SHRINK FILM

At Ariva® we are constantly focused on providing our customers with innovative solutions for their packaging, janitorial and safety products. Check out this month's features and see the benefits that Exlfilmplus® products and Teflon tapes can provide to your business.

## Exlfilmplus

### Exlfilmplus® GPS GLOBAL PERFORMANCE SHRINK FILM

Exlfilmplus films are crosslinked. The "plus" of crosslinking provides customers with a stronger film capable of working on a broad variety of equipment and sealing systems.

#### Benefits

- **Prevention of buildup**  
on wires and knives during sealing
- **Prevention of film burn-through**  
in heat tunnels
- **Increased film toughness**  
on the finished package
