

Roll Up Film

ROLL UP FILM – SOLVENT/ECO

Our roll-up films for solvent ink systems are a smart choice if you want to produce outstanding point-of-purchase materials that grab attention. Our 9mil satin textured grey back film prints well, is durable and is perfect for applications with overhead lighting as the textured surface eliminates unruly glare. Our 8mil super smooth block out film is 100% opaque with a white back and a satiny smooth surface. Each is suitable for solvent, eco solvent, UV and latex ink systems.

FEATURES:

- Satin textured or super smooth surface
- Excellent colour reproduction
- Indoor and outdoor use

BENEFITS:

- High quality look & feel
- Yields high end graphics
- Versatile

APPLICATIONS:

- Roll up & POP display/banners
- Indoor/outdoor signage
- Entertainment & advertising

**We recommend this media
for retractable banner stands!**
